

U.S. Critical Infrastructure Business

COVID-19 NATIONAL RESPONSE

SP Foundry is part of the Critical Manufacturing sector designated by the Department of Homeland Security Critical Industry whose assets, systems, and networks, whether physical or virtual, are considered so vital to the U.S. that their incapacitation or destruction would have a debilitating effect on security, national economic security, national public health or safety, or any combination thereof.

As a part of the Essential Infrastructure Group, SP Foundry is providing materials and services necessary for public works construction and operation, which are designated by CISA as Essential Businesses and Operations in the United States. SP Foundry is a Critical Manufacturer for these Essential Operations and is therefore **permitted to continue operating**.

While SP Foundry will monitor the situation and take precautions as necessary to protect its employees and citizens of the community, SP Foundry will continue operations without interruption in order to meet the needs of and commitments made to both our customers and suppliers.

SP Foundry Essential Operations cover delivery to all 50 states: Ala., Alaska, Ariz., Ark., Calif., Colo., Conn., Del., Fla., Ga., Hawaii, Idaho, Ill., Ind., Iowa, Kan., Ky., La., Maine, Md., Mass., Mich., Minn., Miss., Mo., Mont., Neb., Nev., N.H., N.J., N.M., N.Y., N.C., N.D., Ohio, Okla., Ore., Pa., R.I., S.C., S.D., Tenn., Texas, Utah, Vt., Va., Wash., W.Va., Wis., Wyo.
